### End of the Year Programs !!

It's hard to believe the school year is almost over! It has been our pleasure to spend this time with your children and watch them each grow and learn. We would like to celebrate their progress with you as we end the school year.

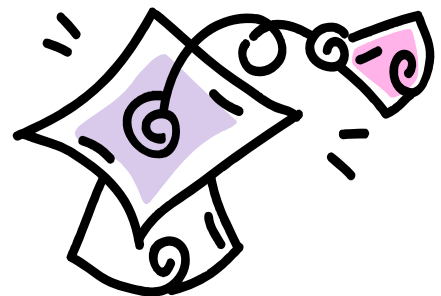

The three year old classes will have programs:

Wednesday, May 21 at 11:15 a.m. and 2:15 p.m., according to your class.

Thursday, May 22 at 11:15 a.m. and 2:15 p.m., according to your class.

Please join us in the fellowship hall on your day. We will have a short program and refreshments for the children and their families.

Our four year olds will participate in a graduation program on the evenings of May 29th(a.m. classes) and 30th(p.m. classes) at 7 p.m. Please feel free to invite family members and friends as we will be in the sanctuary with plenty of room. The children will present a program and have refreshments following in the fellowship hall. Please put this special night on your calendar and don't forget your camera! Watch for an invitation to come home in their backpacks. They can use these to invite someone special.

## May's Bible Theme "God Will Help You"

The children will be hearing stories about Crossing the Jordan, The Walls of Jericho, Deborah, and Esther. They will do activities relating to community helpers, trees, and water.

Caterpillars have arrived. We will be watching them turn into butterflies.

Colors of the Month are

### Black & White.

The children will learn songs about the colors black and white. It will teach them how to spell the colors.

Ask your child to sing the songs for you. The white song is sung to the tune of "Little Brown Jug." The black song is sung to the tune of "She'll be Coming Round the Mountain."

It is exciting to reach the end of the alphabet! We will have lots of time to review.

We are very proud of our students. Many of them know all 26 letters and what sound they make. Please help your child review over the summer so they can begin next year with a great start!!

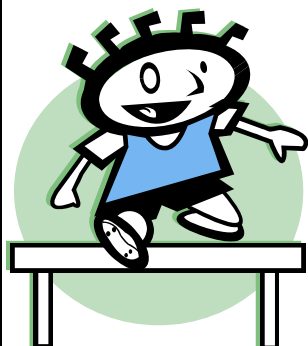

Way to go !!

### Important Notice From Preschoolers !!!!!

**Please remind us to wear closed toed shoes with backs on them to school. It is very difficult to run and play in sandals and crocs. They also get full of mulch and hurt our toes!!**

### *Track and Field*

This is a fun day for the students to travel to different stations and participate in fun events. We will have races, games, and fun experiences. The games will begin at 10 a.m. and 1 p.m.

What a wonderful lunch you provided to the staff at CrossRoads. We truly appreciate the time and energy that was spent to make a special day just for us. The lunch was delicious and all the thoughtful cards were precious. It's parents and their involvement that make our school such a great place !!! We truly appreciate each parent and their children.
