End of the Year Programs !!

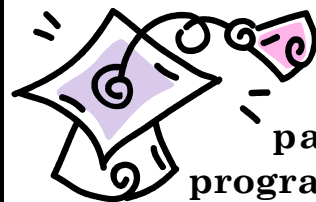

It's hard to believe the school year is almost over! It has been our pleasure to spend this time with your children and watch them each grow and learn. We would like to celebrate their progress with you as we end the school year.

The three year old classes will have programs:

Monday, May 17 at 11:15 a.m. and 2:15 p.m., according to your class.

Tuesday, May 18 at 11:15 a.m. and 2:15 p.m., according to your class.

Please join us in the fellowship hall on your day. We will have a short program and refreshments for the children and their families.

Our four year olds will participate in a graduation program on the evenings of May 27th (a.m. classes) and 28th (p.m. classes) at 7 p.m. Please feel free to invite family members and friends as we will be in the sanctuary with plenty of room for all. The children will present a program and have refreshments following in the fellowship hall. Please put this special night on your calendar and don't forget your camera! Watch in their backpack for an invitation they can use to invite someone special.

May's Bible Theme

“God Will Help You”

The children will hear stories about Crossing the Jordan, The Walls of Jericho, Deborah, and Esther. They will do activities relating to community helpers, trees, and water.

The caterpillars have arrived and are eating right now. They will soon be in their chrysalis stage. Ask your child about them.

Colors of the Month are
Black and White.

The children will learn a song about the colors black and white. It will teach them how to spell the colors. Ask your child to sing the songs for you. They are sung to the tunes of “She’ll be Coming Round the Mountain ” and “Little Brown Jug.”

The students will be finishing up the alphabet next week.

May 2—”Y” week

May 9—”Z” week

Many of the students have learned all of their letters this year and the sounds that they make. We are so proud of our students!! Keep singing and writing this summer!!!

Important Notice From Preschoolers!!

Please remind us to wear closed toed shoes with backs on them to school. It is very difficult to run and play in sandals and crocs. They also get full of mulch and hurt our toes!!

One of our parents has shared a great website that they found with us. It is:

handwritingforkids.com

It's a great resource for you to use to help your child learn to form the letters. Check it out for a great review for the summer and a great tool for helping your child learn !!
