Night

Oct. 22—Family Field
trip to Kinman Farms

Oct. 27& 28 Harvest
Parties

Welcome!!

We're so glad you are at CrossRoads Preschool this year. We wish you and your child a wonderful preschool experience. We are always here to answer questions and address concerns that you may have. Please don't hesitate to ask.

Apple **Days**

Beginning the week of September 20th we will begin to study a "Letter of the Week." We will go through the alphabet as the year progresses.

To celebrate our first letter of the alphabet we will have a special day cooking with apples. All classes will participate. We will make applesauce, paint with apples, and taste different kinds of apples. We will need several parents to help us out that day. You can sign up to help with your child's class. There will be a sign-up sheet at the table where you sign-in each day.

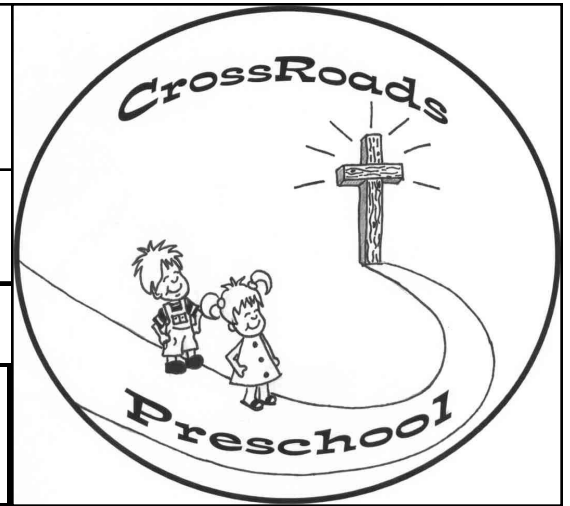

We truly appreciate your involvement in your child's school !!!

Family Field Trip

On October 22nd all families are invited to attend a field trip to Kinman Farm in Burlington. We will pet animals, take a hayride, explore a corn maze, and receive a small pumpkin. We hope you'll choose to join us.

Watch for a flier coming
home soon!!

September's Bible Theme

"God Made the World and Everything In It"

The children will be hearing stories about creation this month. They will hear about and experience plants, oceans, animals, and learn about the first people: Adam and Eve.

Most importantly they will know that God made "ME" and I'm special!!

Color of the Month is

RED.

The children will learn a song about the color red. It will teach them how to spell the color. Ask your child to sing the song for you. It is sung to the tune of "Frere Jacques."

We will begin the "Letter of the Week" on Sept. 20th.

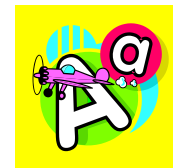

Sept. 20th—"A" week

Sept. 27th—"B" week

The four year olds will have a letter bag.

Watch for their letter bag to come home and help them fill it with an

object !!

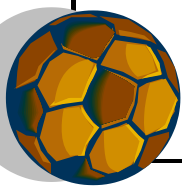

Preschool Screenings

We will be conducting preschool screenings on Thursday evening Sept. 23rd and Friday, Sept. 24th. If you did not sign up for a time during orientation, please do so. The purpose of the screenings is to let us know if your child is developmentally on target or showing the potential for a delay. If potential for a delay is found, you will be referred for a thorough assessment.

Happy Feet Soccer

Free demo classes will be taking place over the next couple of weeks. You may attend with your child to make a decision about whether you would like to sign your child up for the classes, which we hope to begin in Oct. See Suzanne if you are interested in attending a demo class and did not get signed up.

Curriculum Night

Many parents want to know what is going on in the classroom? Or, is my child in an age appropriate environment?

Plan to attend curriculum night on Tuesday, October 19th at 7 p.m. We want to share with you why we do what we do at preschool and what research says about how preschoolers learn best. You are the most important people in laying the foundation for your child's education. It all starts now!!!
